#### **SEND APPLICATION TO:**

Department of Finance

Attn: Stephanie Hees

915 L Street, Ste. 1235

Sacramento, CA 95814

#### **WHO MAY APPLY:**

Current state employees at the Associate Programmer Analyst level, those within transfer range, or individuals who have list eligibility.

Applications will be screened and only the most qualified will be scheduled for interviews. All appointments are subject to applicable personnel rules.

#### **POSITION DESCRIPTION:**

Under direct supervision of the Specialized Systems Development manager, the incumbent coordinates with clients, programming/analysis and other Information Services staff to develop and implement automated solutions to moderately complex business problems. The incumbent employs technical skills in software development techniques, tools and methodologies to develop/maintain Information Technology (IT) applications.

#### **SCREENING CRITERIA: (Address the following abilities in your application package)**

- Analyzing user requirements and requests.
- Coding, testing, and documenting applications.
- Possess technical knowledge on development techniques, tools, and processes.
- Experience developing applications in C#.Net, ASP.Net, SharePoint, and SQL.
- Ability to communicate effectively verbally and in writing with a wide variety of users.

#### **DESIRABLE QUALIFICATIONS:**

- Demonstrated knowledge in the area of application development
- Establish and maintain cooperative relationships with peers, management, and customers to provide effective skills for application development projects.
- Knowledge of business processes and requirements analysis techniques.
- Experience in testing software applications, developing test scenarios, and documenting results with an emphasis on quality control and quality assurance
